DISTRICT OF NEW JERSEY

IN RE DR. REDDY'S LABORATORIES  
LTD. SECURITIES LITIGATION

Civil Action No. 3:17-CV-06436-PGS-DEA

Class Action

**DECLARATION OF JORDAN BROKER IN SUPPORT OF LEAD PLAINTIFF'S  
MOTION FOR APPROVAL OF SETTLEMENT DISTRIBUTION PLAN**

I, Jordan Broker, declare and state as follows, pursuant to 28 U.S.C. §1756:

1. I am a Project Manager for Epiq Class Action and Claims Solutions, Inc. ("Epiq").

The following statements are based on my personal knowledge and information provided to me by other Epiq employees or Lead Counsel, and I could and would competently testify to these facts if called upon to do so.

2. Pursuant to the Court's Order Granting Preliminary Approval of Class Action Settlement, Approving Form and Manner of Notice, and Settling Date for Hearing on Final Approval of Settlement (ECF No. 96) (the "Preliminary Approval Order"), Epiq was retained by Lead Counsel to serve as the Claims Administrator in connection with the Settlement of the Action. As Claims Administrator, Epiq has, among other things: (i) mailed the Notice of Pendency of Class Action, Proposed Settlement, and Motion for Attorneys' Fees and Expenses (the "Notice") and the Proof of Claim and Release Form (the "Claim Form" or "Proof of Claim Form," and together with the Notice the "Notice Packet") to potential Class Members,<sup>1</sup> brokers, and other nominees of

---

<sup>1</sup> The Settlement Class consists of "all persons and entities that purchased or otherwise acquired Dr. Reddy's ADSs on the NYSE during the period from November 27, 2014 through September 15, 2017, inclusive, and were damaged thereby." Stipulation and Agreement of Settlement, dated May 15, 2020, at ¶ 1(vv), ECF No. 95-1 .

beneficial owners; (ii) created and continues to maintain a toll-free telephone helpline for inquiries during the course of the administration; (iii) created and continues to maintain a website for the Settlement (the “Settlement Website”) and posted case-specific documents on it; (iv) caused the Summary Notice to be published; (v) provided, upon request, additional copies of the Notice Packet to potential Class Members, brokers, and other nominees; and (vi) received and processed Claim Forms submitted to the Claims Administrator (a “Claim”).

3. On December 23, 2020, the Court issued its Final Order and Judgment (ECF No. 113) and Order Approving Plan of Allocation (ECF No. 111). The Settlement has reached its Effective Date. However, Lead Counsel has advised Epiq that the Authority for Advance Rulings (“AAR”) in India that is responsible for making determinations about any Indian taxes owed on the corpus of the Settlement Amount has not ruled on the parties’ AAR applications, which were submitted in July and August 2020. Accordingly, pursuant to the terms of the Settlement, although the parties maintain that no Indian tax will be owed, a Tax Reserve will be withheld from the distribution to Authorized Claimants discussed herein so that funds are available in the event of a future ruling that Indian tax is due.

4. Epiq has completed processing all Claims received through June 1, 2023, in accordance with the terms of the Stipulation and the Court-approved Plan of Allocation set forth in the Notice, and hereby submits its administrative determinations accepting and rejecting the Claims in preparation for a distribution of the Net Settlement Fund to Authorized Claimants, and in support of Lead Plaintiff’s Motion for Approval of Settlement Distribution Plan.

#### **DISSEMINATION OF NOTICE**

5. As more fully described in the previously filed Declaration of Jordan Broker Regarding: (A) Mailing of the Notice and Claim Form; (B) Publication of the Summary Notice;

and (C) Report on Requests for Exclusion (the “Mailing Decl.,” ECF No. 101-2) and the Supplemental Declaration of Jordan Broker Regarding: (A) Mailing of the Notice and Claim Form; and (B) Report on Requests for Exclusion and Objections (the “Supp. Mailing Decl.,” ECF No. 106), through September 21, 2020, Epiq had mailed a cumulative total of 29,883 Notice Packets to potential Class Members and nominees. Supp. Mailing Decl. ¶ 3. Since that date, 66 additional Notice Packets have been disseminated. In total, Epiq has disseminated 29,949 Notice Packets to potential Class Members, brokers, and other nominees.

6. Epiq established and continues to maintain the Settlement Website ([www.DrReddysSecuritiesSettlement.com](http://www.DrReddysSecuritiesSettlement.com)) and a toll-free telephone helpline (1-855-917-3520) to assist potential Class Members. The Settlement Website (which provides access to important documents relevant to the Settlement) and the telephone helpline enable Class Members to obtain information about the Settlement.

7. In accordance with Paragraph 11 of the Preliminary Approval Order, on June 15, 2020, Epiq caused the Summary Notice to be published once in Investor’s Business Daily and be transmitted over PR Newswire. Mailing Decl. ¶ 12.

#### **PROCEDURES FOLLOWED IN PROCESSING CLAIMS**

8. Under the terms of the Preliminary Approval Order and as set forth in the Notice, each Class Member who wished to be eligible to receive a distribution from the Net Settlement Fund was required to complete and submit to Epiq a properly executed Claim Form postmarked no later than September 22, 2020, together with adequate supporting documentation for the transactions and holdings reported in the Claim. Through June 1, 2023, Epiq has received and fully processed 6,550 Claims.

9. In preparation for receiving and processing Claims, Epiq: (i) conferred with Lead Counsel to define the guidelines for processing Claims; (ii) created a unique database to store Claim details, images of Claims, and supporting documentation (the “Settlement Database”); (iii) trained staff in the specifics of the Settlement so that Claims would be properly processed; (iv) formulated a system so that telephone and email inquiries would be properly responded to; (v) developed various computer programs and screens for entry of Class Members’ identifying information and their transactional information; and (vi) developed a proprietary “calculation module” to calculate the value of Claims pursuant to the Court-approved Plan of Allocation for the Net Settlement Fund as stated in the Notice.

10. The Notice advised Class Members seeking to share in the Net Settlement Fund to submit their Claims to a post office box address specifically designated for the Settlement. Any correspondence received at the post office box was reviewed and, when necessary, appropriate responses were provided to the senders.

### **PROCESSING CLAIMS**

#### **A. Paper and Online Claims**

11. Of the 6,550 Claims, 476 Claims were submitted as paper Claims (“Paper Claims”) or submitted using the Settlement Website (“Online Claims”). Paper and Online claims are typically submitted directly by the beneficial owners. Once received, the Paper Claims were opened and prepared for scanning. This process included unfolding documents, removing staples, copying nonconforming-sized documents, and sorting documents. This manual task of preparing the Paper Claims is very laborious and time intensive. Once prepared, Paper Claims were scanned into the Settlement Database together with all submitted documentation. Online Claims were similarly uploaded to the Settlement Database.

12. Subsequently, each Claim was assigned a unique Claim number. Once scanned, the information from each Claim Form (including the Claimant's name, address, and account number/information from the supporting documentation, and the Claimant's purchase/acquisition transactions, sale transactions, and holdings listed on the Claim Form) was entered into the Settlement Database. Once entered into the Settlement Database, each Claim was reviewed to verify that all required information had been provided. The documentation provided by the Claimant in support of the Claim was reviewed for authenticity and compared to the information provided in the Claim to verify the Claimant's identity and the purchase/acquisition transactions, sale transactions, and holdings listed on the Claim Form.

13. To process the transactions detailed in the Claims, Epiq utilized internal codes ("message codes") to identify and classify deficiency or ineligibility conditions existing within the Claims. Appropriate message codes were assigned to the Claims as they were processed. For example, where a Claim was submitted by a Claimant who did not have any eligible transactions in Dr. Reddy's ADSs during the Class Period (e.g., the Claimant purchased Dr. Reddy's ADSs only before or after the Class Period), that Claim would receive a message code that denoted ineligibility.<sup>2</sup> Similar defect message codes were used to denote other ineligibility conditions, such as duplicate Claims. These message codes indicated to Epiq that the Claimant was not eligible to receive any payment from the Net Settlement Fund with respect to that Claim unless the deficiency was cured. Examples of conditions of ineligibility are as follows:

- No Documentation Submitted for the Entire Claim
- Duplicate Claim Submitted
- No Eligible Purchase During the Class Period

---

<sup>2</sup> The only security that is included in the Settlement is Dr. Reddy's ADSs.

- No Signature
- No Recognized Claim
- No Recognized Claim Unless Defects Are Cured

14. Because a Claim may be deficient only in part, but otherwise acceptable, Epiq also utilized message codes that were applied only to specific transactions within a Claim. For example, if a Claimant submitted a Claim with supporting documentation for all but one purchase transaction, that one transaction would receive a defect message code. The message code indicated that although the transaction was deficient, the Claim was otherwise eligible for payment if other transactions in the Claim calculated to a Recognized Claim according to the Court-approved Plan of Allocation. Thus, even if the deficiency was never cured, the Claim could still be partially accepted. Examples of transaction-specific message codes are as follows:

- Claim Did Not Balance/Trade Discrepancy
- Inadequate Documentation for Transaction
- Received Shares or Delivered Shares (i.e., shares transferred into or out of an account rather than purchased)
- No Proof of Unsold Holdings

**B. Electronic Claims**

15. Of the 6,550 Claims, 6,074 were submitted to Epiq electronically (“Electronic Claims”). Electronic Claims are typically submitted by or on behalf of institutional investors (“Electronic Claim Filers” or “E-Claim Filers”) who may have hundreds or thousands of transactions during the Class Period. Rather than provide reams of paper requiring data entry, the E-Claim Filers either mail a computer disc or electronically submit a file to Epiq so that Epiq can upload all transactions to the Settlement Database.

16. Epiq maintains an electronic filing operations team (the “Electronic Filing Team”) to coordinate and supervise the receipt and handling of all Electronic Claims. In this case, the Electronic Filing Team reviewed and analyzed each electronic file to ensure that it provided all information in accordance with Epiq’s required format and to identify any potential data issues or inconsistencies within the file. If any issues or inconsistencies arose, Epiq notified the filer. If the electronic file was deemed to be in an acceptable format, it was then loaded to the Settlement Database.

17. Once each electronic file was loaded into the Settlement Database, the Electronic Claims were coded to denote any deficient or ineligible conditions that existed within them. These message codes are similar to those applied to Paper Claims and Online Claims. In lieu of manually applying message codes, the Electronic Filing Team performed programmatic reviews on Electronic Claims to identify deficient and ineligible conditions (such as, but not limited to, price out-of-range issues, out-of-balance conditions, transactions outside the Class Period, etc.). The output was thoroughly verified and confirmed as accurate.

18. The review process also included flagging any Electronic Claims that were not accompanied by a signed Claim Form, which serves as a “Master Proof of Claim Form” for all Claims referenced on the electronic file submitted. Epiq’s Electronic Filing Team, where required, contacted the E-Claim Filers whose submissions were missing information. This ensured that only fully completed Claims, submitted by properly authorized representatives of the Claimants, were considered eligible for payment from the Net Settlement Fund.

19. Finally, at the end of this process, Epiq performed various targeted reviews of Electronic Claims. Specifically, Epiq used criteria such as the calculated Recognized Claim value under the Plan of Allocation and other identified criteria to reach out to a selection of E-Claim

Filers to request that various sample purchases, sales, and holdings selected by Epiq be further documented by providing confirmation slips or other transaction-specific supporting documentation. These targeted reviews help to ensure that electronic data supplied by E-Claim Filers does not contain inaccurate information.

### **EXCLUDED PERSONS**

20. Epiq also reviewed all Claims to ensure that they were not submitted by or on behalf persons and entities excluded from the Settlement Class by definition, to the extent that the identities of such persons or entities were known to Epiq through the list of Defendants and other excluded persons and entities set forth in the Stipulation and the Notice and from the Claimants' certifications on the Claim Forms. No Class Members requested exclusion.

### **THE DEFICIENCY PROCESS**

#### **A. Paper and Online Claims**

21. Approximately 45% of the Paper Claims and Online Claims, i.e., 213 of the 476 Claim Forms received, were incomplete or had one or more defects or conditions of ineligibility, such as the Claim was not signed, was not properly documented, or reported no eligible transactions in Dr. Reddy's ADSs during the Class Period. The "Deficiency Process," which primarily involved mailing letters and sending emails to Claimants and responding to communications from Claimants by email and/or telephone, was intended to assist Claimants in properly completing their otherwise deficient submissions so that they could be eligible to participate in the Settlement.

22. If a Paper Claim or Online Claim was determined to be defective, a Notice of Incomplete Proof of Claim Submission ("Deficiency Notice") was sent to the Claimant describing the defect(s) in the Claim and what steps, if any, were necessary to cure the defect(s) in the Claim.

The Deficiency Notice advised the Claimant that submission of appropriate information and/or documentary evidence to complete the Claim had to be sent within twenty (20) days from the date of the Deficiency Notice or the Claim would be recommended for rejection to the extent that the deficiency or condition of ineligibility was not cured. The Deficiency Notice also advised Claimants that to contest an administrative determination, they were required to submit written statements to Epiq requesting Court review of their Claim and setting forth the basis for the request. Epiq sent a total of 213 Deficiency Notices to Claimants who filed Paper Claims or Online Claims that Epiq determined were defective. Attached hereto as Exhibit A is an example of a Deficiency Notice.

23. Claimants' responses to Deficiency Notices were scanned into the Settlement Database and associated with the corresponding Claims. The responses were then carefully reviewed and evaluated by Epiq's team of processors. If a Claimant's response corrected the defect(s), Epiq manually updated the Settlement Database to reflect the changes in the status of the Claim.

**B. Electronic Claims**

24. For Electronic Claims, Epiq used the following process to contact the banks, brokers, nominees, and other E-Claim Filers, who submitted data electronically, to confirm receipt of their submissions and to notify the E-Claim Filers of any deficiencies or Electronic Claims that were ineligible. These E-Claim Filers were each sent an email to the email address included with their Claim Form ("Status Email"), which attached a report containing detailed information associated with the Claims and indicating which of the Claims within the filing were deficient and/or rejected ("Transaction Report").

25. The Status Email:

- (a) Notified the E-Claim Filer that any Claims with deficiencies not corrected within twenty (20) days from the date of the Status Email may be rejected;
- (b) Advised the E-Claim Filer of the right to contest the rejection of the Claim(s) and request the Court's review of Epiq's administrative determination within twenty (20) days from the date of the Status Email; and
- (c) Provided instructions for how to submit corrections.

26. The Transaction Report attached to the Status Email identified each of the individual Claims that were found to be deficient or ineligible and the basis for that deficiency or condition of ineligibility. Epiq sent a Status Email and Transaction Report to each of the E-Claim Filers.

27. The E-Claim Filers' responses were reviewed by the Electronic Filing Team, scanned and/or loaded into the Settlement Database, and associated with the corresponding Electronic Claims. If a response corrected the defect(s) or affected an Electronic Claim's status, Epiq manually and/or programmatically updated the Settlement Database to reflect the change in status of the Electronic Claim.

#### **DISPUTED CLAIMS**

28. As noted above, Claimants were advised that they had the right to contest Epiq's administrative determination of deficiencies or ineligibility within twenty (20) days from the date of notification and that they could request that the dispute be submitted to the Court for review. More specifically, Claimants were advised in the Deficiency Notice or Status Email that, if they disputed Epiq's determination, they had to provide a statement of reasons indicating the grounds for contesting the determination, along with supporting documentation, and if the dispute

concerning the Claim could not otherwise be resolved, Lead Counsel would thereafter present the request for review to the Court for a final determination.

29. One Claimant contested Epiq's administrative determinations and requested review by the Court. To resolve the dispute without necessitating the Court's intervention, Epiq attempted to contact the person requesting Court review by phone and email in order to explain Epiq's determination of the Claim's status. Epiq emailed the Disputing Claimant and explained the calculation of the Claim and how it did not calculate to a Recognized Claim. More specifically, the Dr. Reddy's ADSs purchased during the Class Period were purchased *and* sold at allegedly artificial prices and sold at a gain prior to the initial allegedly corrective disclosure date. Because the Claim did not result in a Recognized Claim under the Court approved Plan of Allocation, it is not eligible for a payment from the Settlement.

30. Attempts were made by email and phone call to explain the reason the Claim was rejected, however the Claimant did not accept the explanation and wishes to present the dispute to the Court.

31. Exhibit B attached hereto contains a copy of the Claim submitted by the Disputing Claimant, and other documents related to the Disputed Claim.<sup>3</sup>

#### **LATE BUT OTHERWISE ELIGIBLE CLAIMS**

32. Of the Claims, 1,312 were received or postmarked after the September 22, 2020 Claim submission deadline established by the Court. Epiq processed all late Claims received through June 1, 2023, and 758 have been found to be otherwise eligible in whole or in part (the "Late But Otherwise Eligible Claims"). Epiq has not rejected any Claim received through June 1,

<sup>3</sup> For privacy reasons, the documents included in Exhibit B have been redacted to remove all personal information such as name, street address, email address, telephone number, account numbers, and Social Security Number.

2023, solely based on its late submission, and Epiq believes no inequity will result from the provisional acceptance of these Late But Otherwise Eligible Claims. To the extent they are eligible but for the fact that they were late, they are recommended for payment.

33. However, there must be a final cut-off date after which no more Claims will be accepted so that there may be a proportional allocation of the Net Settlement Fund and the distribution may be accomplished. Acceptance of additional Claims received after June 1, 2023, including during the finalization of the administration and the preparation of this application, would necessarily require a delay in the distribution. Accordingly, Epiq respectfully requests that this Court order that no Claim received after June 1, 2023 or adjusted after March 16, 2026, be eligible for payment for any reason whatsoever subject only to the provision of paragraph 43(f) of the proposed distribution plan discussed below.

34. As explained in paragraph 43(f), if the Court adopts the proposed distribution plan, then, after Lead Counsel has determined that further distributions are not cost-effective and before any contribution of the residual funds to the proposed *cy pres* recipient, if sufficient funds remain to warrant the processing of Claims received after June 1, 2023, these Claims will be processed and, if any would have been eligible if timely received, these Claimants may be paid the distribution amounts on a *pro rata* basis that would bring them into parity with other Authorized Claimants who have cashed all their prior distribution checks, to the extent permitted by the amount of remaining funds. *See* ¶43(f) below. With respect to previously filed Claims that are cured or adjusted after June 1, 2023, such Claims will be reevaluated and, to the extent that they are found eligible for a distribution or additional distribution, they will be treated in the same manner as Claims received after June 1, 2023. However, should an adjustment be received that

results in a lower Recognized Claim amount, that adjustment will be made, and the Recognized Claim amount will be reduced accordingly prior to a distribution to that Claimant.

### **QUALITY ASSURANCE**

35. An integral part of the claims administration process is Epiq's Quality Assurance review. Throughout the administration process, Epiq's Quality Assurance personnel worked to verify that Claims were processed properly by ensuring that information was entered correctly into the Settlement Database, deficiency and/or rejection message codes were assigned accurately, and deficiency and/or rejection notifications were sent appropriately. After all Claims were processed, deficiency and/or rejection notification were sent, and Claimants' responses to the deficiency and/or rejection notifications were reviewed and processed, Epiq's Quality Assurance personnel performed additional Quality Assurance reviews. These final Quality Assurance reviews further ensured the correctness and completeness of all Claims processed prior to preparing this Declaration. As part of the Quality Assurance reviews, Epiq:

- (a) Verified that all Claim Forms had signatures of authorized individuals;
- (b) Verified that true duplicate Claims were identified, verified, and rejected;
- (c) Verified that any Claims filed by persons and entities excluded from the Settlement Class were rejected upon review;
- (d) Performed a final Quality Assurance review of all Claims and all supporting documentation to ensure the completeness of Claims;
- (e) Determined that all Claimants requiring deficiency and/or rejection notifications were sent such notifications;
- (f) Performed a review of deficient Claims;

- (g) Performed an additional review of Claims with high Recognized Claim amounts;
- (h) Reviewed Claims that were designated invalid;
- (i) Reviewed Claims with a Recognized Claim amount equal to zero;
- (j) Performed other reviews based on Claims completion requirements and the approved calculation specifications based on the Court-approved Plan of Allocation; and
- (k) Re-tested the accuracy of the Recognized Claim amount calculation program.

36. As part of its due diligence in processing the Claims, Epiq reviewed and compared the entire Settlement Database against its “watch list” of known questionable filers that Epiq has developed throughout its years of experience as a claims administrator. Epiq performs searches based on names, aliases, addresses, and city/zip codes. In addition, Epiq’s claim processors are trained to identify any potentially inauthentic documentation when processing claims, including claims submitted by Claimants not previously captured in the “watch list.” Processors are instructed to message code any claim that matches to a record on the “watch list” and to escalate them to management for review. 18 questionable Claims were identified as having been submitted by someone on the “watch list.” These Claims were then reviewed by management to consider the documentation submitted with each Claim in conjunction with other factors and were determined to be questionable. Epiq sent these Claimants Deficiency Notices and/or Status Emails notifying the Claimants that additional documentation was required in order for their Claims to be eligible to participate in the Settlement. No additional documentation has been received supporting these

questionable Claims and all 18 Claims are recommended for rejection for failure to cure their conditions of ineligibility.

**RECOMMENDATIONS FOR APPROVAL AND REJECTION**

37. As noted above, the number of Claims presented in this motion is 6,550.

**Timely Submitted and Valid Claims**

38. A total of 5,238 Claims were received or postmarked on or before the Court-approved Claim submission deadline of September 22, 2020, of which 3,131 Claims were determined by Epiq to be eligible and are recommended for approval (“Timely Eligible Claims”). The total Recognized Claim amount for these Timely Eligible Claims is \$89,409,403.54.

**Late But Otherwise Eligible Claims**

39. A total of 1,312 Claims were received or postmarked after the Court-approved Claim submission deadline of September 22, 2020, but received on or before June 1, 2023. Of those late Claims, 758 were determined by Epiq to be otherwise eligible and are recommended for approval (“Late But Otherwise Eligible Claims”). The total Recognized Claim amount for these Late But Otherwise Eligible Claims is \$4,645,833.12.

**Rejected Claims**

40. After the responses to Deficiency Notices and Status Emails were processed, a total of 2,661 Claims remain recommended for rejection by the Court (“Rejected Claims”) for the following reasons:

- (a) 810 Claims had no purchase(s) of Dr. Reddy’s ADSs during the Class Period;
- (b) 1,614 Claims did not result in a Recognized Claim pursuant to the Court-approved Plan of Allocation;

- (c) 19 Claims were duplicates;
- (d) 165 Claims were withdrawn or voided by the filer; and
- (e) 53 Claims had uncured conditions of ineligibility.

**Lists of All Claims**

41. Attached hereto as Exhibit C are listings of all the Claims:
- (a) Exhibit C-1 lists the Timely Eligible Claims and shows each Claimant's Recognized Claim amount;
  - (b) Exhibit C-2 lists the Late But Otherwise Eligible Claims and shows each Claimant's Recognized Claim amount; and
  - (c) Exhibit C-3 lists the Rejected Claims and the reasons for rejection.

**FEES AND DISBURSEMENTS**

42. Epiq agreed to be the Claims Administrator in exchange for payment of its fees and expenses, as provided for in the Stipulation. Lead Counsel received reports on and invoices for the work Epiq performed with respect to the provision of notice and administration of the Settlement. Attached hereto as Exhibit D is an estimate of the fees for the work that will be performed and the costs that will be incurred in connection with the initial distribution of the Net Settlement Fund. Should the estimate of fees and expenses to conduct the Initial Distribution of the Net Settlement Fund exceed the actual costs, the excess will be returned to the Net Settlement Fund and will be available for subsequent distribution to Authorized Claimants.

**DISTRIBUTION PLAN FOR THE NET SETTLEMENT FUND**

43. Should the Court concur with Epiq’s determinations concerning the accepted and rejected Claims, including the Late But Otherwise Eligible Claims and the Disputed Claim, Epiq recommends the following distribution plan (the “Distribution Plan”):

(a) Epiq will conduct an initial distribution (the “Initial Distribution”) of the Net Settlement Fund, after deducting all payments approved by the Court, and after payment of any U.S. and New Jersey Taxes, the costs of preparing appropriate U.S. and New Jersey tax returns, and any escrow fees, while maintaining the 50% Tax Reserve required by the Stipulation to pay assessed Indian taxes and a 10% reserve to address any U.S. and New Jersey tax liability, the costs of Indian tax counsel, and claims administration-related contingencies that may arise (the “Reserve”), as follows:

(i) Epiq will calculate award amounts for all Authorized Claimants as if the entire Net Settlement Fund were to be distributed now. In accordance with the Court-approved Plan of Allocation, Epiq will calculate each Authorized Claimant’s *pro rata* share of the Net Settlement Fund based on the amount of the Authorized Claimant’s Recognized Claim in comparison to the total Recognized Claims of all Authorized Claimants.<sup>4</sup>

(ii) Epiq will, pursuant to the terms of the Plan of Allocation, eliminate from the Initial Distribution any Authorized Claimant whose *pro rata* share calculates to less than \$10.00.<sup>5</sup> These Claimants will not receive any payment from the Net Settlement Fund, and Epiq will send notifications to those Authorized Claimants advising them of that fact.

(iii) After eliminating Authorized Claimants who would have received less than \$10.00, Epiq will recalculate the *pro rata* share of the distributable portion of the Net

<sup>5</sup> *Id.* ¶ 66.

Settlement Fund for Authorized Claimants who would have received \$10.00 or more, given the Reserve described in subparagraph (a) above. The *pro rata* share will be the Authorized Claimant's Recognized Claim divided by the total of Recognized Claims of all Authorized Claimants, multiplied by the total amount of the distributable portion of the Net Settlement Fund. This *pro rata* share will be the Authorized Claimant's "Initial Distribution Amount."

(b) In order to encourage Authorized Claimants to deposit their payments promptly, all distribution checks will bear a notation: "CASH PROMPTLY. VOID AND SUBJECT TO REDISTRIBUTION IF NOT CASHED BY [DATE 90 DAYS AFTER ISSUE DATE]." <sup>6</sup>

(c) Authorized Claimants who do not cash their Initial Distribution checks within the time allotted or on the conditions set forth in footnote 7 will irrevocably forfeit all recovery from the Settlement. The funds allocated to all such stale-dated checks will be available to be redistributed to other Authorized Claimants in the second distribution. Similarly, Authorized

---

<sup>6</sup> For Authorized Claimants whose checks are returned as undeliverable, Epiq will endeavor to locate new addresses through reasonable methods. Where a new address is located, Epiq will update the Settlement Database accordingly and reissue a distribution check to the Authorized Claimant at the new address. In the event that a check is lost or damaged or an Authorized Claimant otherwise requires a new check, Epiq will issue replacements. Distribution reissues will be undertaken only upon written instructions from the Authorized Claimant, provided that the Authorized Claimant returns the previous check where appropriate. For all checks, Epiq will void the initial payment prior to reissuing a payment. In order not to delay further distributions to Authorized Claimants who have timely cashed their checks, Epiq's outreach program, described in the preceding sentences, shall end 30 days after the initial void date. Authorized Claimants will be informed that, if they do not cash their Initial Distribution checks within 90 days of the mail date, or they do not cash check reissues within 30 days of the mailing of such reissued check, their check will lapse, their entitlement to recovery will be irrevocably forfeited, and the funds will be reallocated to other Authorized Claimants. Reissue requests for lost or damaged checks will be granted after the void date on the checks as long as the request for the reissue is received no later than 45 days prior to the next planned distribution. Requests for reissued checks in connection with any subsequent distributions (should such distributions occur) will be handled in the same manner.

Claimants who do not cash their second or subsequent distribution checks (should such distributions occur) within the time allotted or on the conditions set forth in footnote 7 will irrevocably forfeit any further recovery from the Net Settlement Fund.

(d) Consistent with the Court-approved Plan of Allocation, after Epiq has made reasonable and diligent efforts to have Authorized Claimants cash their Initial Distribution checks, which efforts shall consist of the follow-up efforts described in footnote 7, but not earlier than six (6) months after the Initial Distribution, Epiq will, after consulting with Lead Counsel, conduct a second distribution of the amounts remaining in the Net Settlement Fund after the Initial Distribution (including from the Reserve, to the extent permitted by the Stipulation) (the “Second Distribution”),<sup>7</sup> to the extent a distribution would be cost-effective, after deducting Epiq’s unpaid fees and expenses incurred in connection with administering the Settlement (including Epiq’s estimated costs of the Second Distribution), and after deducting the payment of any U.S. and New Jersey Taxes, the costs of preparing appropriate U.S. and New Jersey tax returns, and any escrow fees, to Authorized Claimants who cashed their Initial Distribution checks, and who would receive at least \$10.00 from such distribution based on their *pro rata* share of the remaining funds. Additional distributions, after deduction of costs and expenses as described above and subject to the same conditions, may occur thereafter in at least six-month intervals until Lead Counsel, in consultation with Epiq, determines that further distribution is not cost-effective.<sup>8</sup>

(e) At such time as Lead Counsel, in consultation with Epiq, determines that further distribution of the funds remaining in the Net Settlement Fund is not cost-effective, if sufficient funds remain to warrant the processing of Claims received after June 1, 2023, such

Claims will be processed, and any such Claims that are otherwise valid, as well as any earlier received Claims for which an adjustment was received after March 16, 2026 that resulted in an increased Recognized Claim, will be paid in accordance with subparagraph (f) below. However, if any funds remain in the Net Settlement Fund after payment of such late or late-adjusted Claims or if Lead Counsel, in consultation with Epiq, determines that it would not be cost-effective to process Claims received after June 1, 2023 or adjusted after March 16, 2026, the remaining balance of the Net Settlement Fund, after payment of any unpaid fees or expenses incurred in connection with administering the Net Settlement Fund and after the payment of any U.S. and New Jersey Taxes, the costs of preparing appropriate U.S. and New Jersey tax returns, and any escrow fees, will be contributed to a non-sectarian, not-for-profit organization recommended by Lead Counsel and approved by the Court.<sup>9</sup>

(f) No new Claims may be accepted after June 1, 2023, and no further adjustments to previously received Claims that would result in an increased Recognized Claim amount may be made after March 16, 2026, subject to the following exception. If Claims are received or modified that would have been eligible for payment or additional payment under the Plan of Allocation if timely received, then, at the time that Lead Counsel, in consultation with Epiq, determines that an additional distribution is not cost-effective as provided in subparagraph (e) above, and after payment of any unpaid fees or expenses incurred in connection with administering the Net Settlement Fund and after deducting the payment of any U.S. and New Jersey Taxes, the costs of preparing appropriate U.S. and New Jersey tax returns, and any escrow fees, such Claimants, at the discretion of Lead Counsel, may be paid the distribution amounts or

Claim Number:

Response Deadline: July 27, 2021

July 7, 2021

**Notice of Incomplete Proof of Claim Submission**

Dear Claimant:

We received the Proof of Claim and Release Form (“Claim”) that you submitted in connection with the *In re Dr. Reddy's Laboratories Ltd. Securities Litigation*. We have determined, based on our review of your Claim, that the Claim is deficient (which is curable) or ineligible for the reason(s) identified below. In order to resolve the condition(s) within your Claim, you must submit a written response (with any required documentation), as specified below, postmarked no later than 20 days from the date of this notice. Your response deadline is printed at the top of this notice. Please include a copy of this notice with your response. **If you fail to respond by the deadline set forth above or if your response fails to cure the condition(s) identified below, this Claim will be rejected to the extent that those conditions remain uncured or new conditions of ineligibility arise as a result of your response. PLEASE NOTE: This is the only notice you will receive with respect to this Claim. If you want to confirm the status of your Claim after you submit a response to this notice, please contact us at the toll-free number or email address noted above.**

**Ineligibility Condition:** Inadequate Documentation.

The Claim referenced above reports Class Period purchases/acquisitions of Dr. Reddy's ADSs, but none of the documentation previously provided was deemed adequate.

**How to Resolve:** You can resolve this condition of ineligibility only by submitting acceptable documentation to support your Claim, including all of the transactions and holding amounts set forth in the Claim. Acceptable documentation includes securities brokers' confirmation slips, month- and year-end account statements, or similar documentation. (Self-generated documents are not acceptable.) Please note: Do not merely resubmit the same documentation, as it was deemed deficient. You will need to provide additional documentation to cure the deficiency in your Claim.

**PLEASE NOTE:** Curing this condition of ineligibility in its entirety or in part is an absolute requirement in order for your Claim to be eligible for a recovery from the Net Settlement Fund. If the deficiency is only cured in part, the Claim will be calculated based on the transactions for which acceptable documentation was submitted. If you have other deficiencies and cure them, your Claim still will not be eligible, unless this deficiency is cured at least in part and, to the extent that it is cured, it calculates to a Recognized Loss under the Plan of Allocation.

**Deficiency:** No Proof of Unsold (Ending) Holdings.

Your Claim indicates that you may have held Dr. Reddy's ADSs as of the close of trading on December 13, 2017; however, you did not provide any documentation showing your unsold (ending) holdings.

**How to Resolve:** You must provide acceptable documentation for holdings as of the close of trading on December 13, 2017. Acceptable documentation will show the possession of the Dr. Reddy's ADSs on or after this date or the sale of the Dr. Reddy's ADSs after this date. Acceptable documentation includes securities brokers' confirmation slips, month- and year-end account statements, or similar documentation. (Self-generated documents are not acceptable.)

To resolve any of the conditions listed above, please follow the directions stated above. Your Claim must also calculate to a Recognized Loss under the Court-approved Plan of Allocation set forth in the Notice in order to receive payment from the Net Settlement Fund. If you disagree with the conditions identified in this notice, you may contact us for assistance and/or request Court review of our administrative determination regarding your Claim.

To request Court review of your Claim, you must send a letter to us postmarked no later than 20 days from the date of this notice. Your letter must (1) include a copy of this notice; (2) specifically state that you request Court review of the full or partial rejection of the Claim; (3) state your argument(s) for why you are contesting the full or partial rejection of the Claim; and (4) include any and all documentation supporting your argument(s). PLEASE NOTE: COURT REVIEW SHOULD ONLY BE SOUGHT IF YOU DISAGREE WITH THE CLAIMS ADMINISTRATOR'S DETERMINATION REGARDING YOUR CLAIM AND WISH TO HAVE THE COURT REVIEW YOUR CLAIM.

If you have any questions about this notice or if you want to confirm the status of your Claim after you submit a response to this notice, please contact us at the toll-free number or email address noted above. More information can also be found at [www.DrReddysSecuritiesSettlement.com](http://www.DrReddysSecuritiesSettlement.com).

**Notice of Incomplete Proof of Claim Submission**

Dear Claimant:

We received the Proof of Claim and Release Form ("Claim") that you submitted in connection with the *In re Dr. Reddy's Laboratories Ltd. Securities Litigation*. We have determined, based on our review of your Claim, that the Claim is deficient (which is curable) or ineligible for the reason(s) identified below. In order to resolve the condition(s) within your Claim, you must submit a written response (with any required documentation), as specified below, postmarked no later than 20 days from the date of this notice. Your response deadline is printed at the top of this notice. Please include a copy of this notice with your response. **If you fail to respond by the deadline set forth above or if your response fails to cure the condition(s) identified below, this Claim will be rejected to the extent that those conditions remain uncured or new conditions of ineligibility arise as a result of your response. PLEASE NOTE: This is the only notice you will receive with respect to this Claim.** If you want to confirm the status of your Claim after you submit a response to this notice, please contact us at the toll-free number or email address noted above.

**Ineligibility Condition:** No Recognized Loss.

In accordance with the Court-approved Plan of Allocation set forth in the Notice (which is available on the Settlement website and was previously provided), the Claim referenced above does not calculate to a Recognized Loss and therefore is not eligible to receive a distribution from the Net Settlement Fund. Please be aware that a "Recognized Loss" is not the same as a "market loss." It is possible to have a market loss, in which you experience a loss in value of your stock, and still have no Recognized Loss under the Plan of Allocation. In addition, if you had an overall market gain from your transactions in Dr. Reddy's ADSs during the Class Period, your Recognized Loss is \$0.00. Unless you had additional transactions in Dr. Reddy's ADSs during the Class Period (i.e., from November 27, 2014 through September 15, 2017, inclusive) that are not reflected in your Claim, this is NOT a curable deficiency.

**How to Resolve:** You can resolve this condition of ineligibility by submitting additional transactions in Dr. Reddy's ADSs during the Class Period that were not previously reflected in your Claim and that make your Claim calculate to a Recognized Loss. You must also support any additional transactions with acceptable documentation. Acceptable documentation includes securities brokers' confirmation slips, month- and year-end account statements, or similar documentation. (Self-generated documents are not acceptable.)

**PLEASE NOTE:** Curing this condition of ineligibility is an absolute requirement in order for your Claim to be eligible for a recovery from the Net Settlement Fund. If you have other deficiencies and cure them, your Claim still will not be eligible, even for "partial acceptance," unless this deficiency is cured. Your Claim must calculate to a Recognized Loss under the Plan of Allocation in order for you to be eligible to receive a distribution.

To resolve any of the conditions listed above, please follow the directions stated above. Your Claim must also calculate to a Recognized Loss under the Court-approved Plan of Allocation set forth in the Notice in order to receive payment from the Net Settlement Fund. If you disagree with the conditions identified in this notice, you may contact us for assistance and/or request Court review of our administrative determination regarding your Claim.

To request Court review of your Claim, you must send a letter to us postmarked no later than 20 days from the date of this notice. Your letter must (1) include a copy of this notice; (2) specifically state that you request Court review of the full or partial rejection of the Claim; (3) state your argument(s) for why you are contesting the full or partial rejection of the Claim; and (4) include any and all documentation supporting your argument(s). PLEASE NOTE: COURT REVIEW SHOULD ONLY BE SOUGHT IF YOU DISAGREE WITH THE CLAIMS ADMINISTRATOR'S DETERMINATION REGARDING YOUR CLAIM AND WISH TO HAVE THE COURT REVIEW YOUR CLAIM.

If you have any questions about this notice or if you want to confirm the status of your Claim after you submit a response to this notice, please contact us at the toll-free number or email address noted above. From:

**Re Claim Number 222**  
**Notice of Incomplete Proof of Claim Submission**  
**Your Letter Dated July 7, 2021.**

We **do not agree with your interpretation** of the Plan of Allocation and the statement that the subject claim does not calculate to a "Recognized Loss" and therefore is not eligible to receive a distribution from the Net Settlement Fund. You have noted in your subject Notice that it is possible that we might have incurred a "market loss" in terms of loss in value of our stock but we still may not have a "Recognized Loss" under the Plan of Allocation.

We hereby **dispute your interpretation of the Plan of Allocation** approved by the Court and ask you to please provide us the details of the "market loss" that we must have incurred due to incomplete or wrong information provided by Dr. Reddy's Laboratories Ltd. to the market, which influenced the market prices of the stock on the relative dates. The subject Notice and the documents provided on the following website do not provide sufficient details of the Plan of Allocation to enable us to determine if your interpretation of the Court's final order and the Plan of Allocation is factually or legally accurate. ( <https://www.drreddyssecuritiessettlement.com/Home/Documents> ).

In the case of subject stocks (RDY) bought and sold by us as per our Claim #222, there could be a big difference between the "market prices" at which we bought and sold the respective stocks and the "market prices" that would have prevailed if Dr. Reddy's Laboratories Ltd. had not hidden material information relevant to the "intrinsic worth" of the company and the "market prices in US dollars" of relative stocks, that are influenced by such information. The loss incurred by us on purchase and sale of subject stocks (RDY) must be determined and compensated, based on "potential market prices" of the relative stocks and not at the prices we actually paid for.

Please provide us full documentation as to what would have the "market loss" incurred by us in respect of the stocks included in the subject Claim #222 and why the Plan of Allocation is not compensating us based on market loss. We request you to have a Court Review of the partial and/or full rejection of the Claim #222 based on the arguments given above.

Sincerely

**Subject:** Dr Reddy's Securities Settlement - Claim 222

[REDACTED]

Thank you for your recent letter regarding the determination of Claim 222.

The attached Notice will explain the details of how a claim will be calculated. The Court-approved Plan of Allocation, starting on page 10, dictates how each claim will be calculated and funds are distributed under the terms of the Settlement.

In order for a Claim Form to be potentially eligible for an award from the Net Settlement Fund, the Claim Form must have a Recognized Claim. A Recognized Claim is the sum of the Recognized Loss Amounts for each share of Dr. Reddy's ADSs purchased during the Class Period. Paragraph 62 of the Plan of Allocation is used to calculate the Recognized Loss Amounts.

In addition to a Recognized Claim, each claim must also have an "Out of Pocket Loss" (also known as a market loss). Out of Pocket Loss is defined in paragraph 59 of the Plan of Allocation as the purchase price minus the sale price (excluding all fees, taxes, and commissions).

Based on the Claim Form you submitted, you purchased 200 shares on 2/5/2015 for \$49.55 per share (\$9,910.00 total) and sold these shares on 7/20/2015 for \$62.05 per share (\$12,410.00 total).

Because all of the shares were sold before the opening of trading on November 6, 2015, your shares were calculated under section 62 A of the Plan of Allocation and have no Recognized Loss. Additionally, your claim is also ineligible for an award because it had no Out of Pocket Loss for the purchases made during the Class Period (the sale of 200 shares resulted in a market gain of \$2,500.00).

Please feel free to contact us if you have any additional questions. **Otherwise please confirm that we may remove your request for Court Review.**

Kind regards,

**People. Partnership. Performance.**
